## REHABILITATION OF OFFENDERS ACT

Posts entailing contact with patients are exempt from the provisions of Section 4(2) of the Rehabilitation of offenders Act 1974. This means applications are not entitled to withhold information about convictions which for other purposes are 'spent' under the provisions of the Act. You should also declare if you have ever received a caution, reprimand, or warning. Failure to disclose any unspent convictions at this stage will result in your application being declined. Any information given will be completely confidential and will be considered only in relation to any application for voluntary positions to which the order may apply. NB A criminal conviction or caution would not preclude you from volunteering at the Trust.

Do you have any criminal convictions?

### Confidentiality

During my duties as a volunteer, I may see or hear personal information about a vulnerable person or animal, I fully understand that all such information must be treated in absolute confidence and that I must not discuss or disclose this information with any person. I understand that to be considered for a placement as a volunteer I will be asked to sign an NDA form. I declare that the information on this form is true and complete. I understand that any false information may result in the withdrawal of this application or being asked to cease volunteering.
